Proposed collection; comments requested:

Identification Markings Placed on Firearms

ACTION: 60-Day Notice of Information Collection:

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “sixty days” until [insert the date 60 days from the date this notice is published in the Federal Register]. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact John Spencer, Chief, Firearms Technology Branch, 244 Needy Road, Martinsburg, West Virginia 25405, fire_tech@atf.gov, 304-616-4300.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Summary of Information Collection:

- (1) Type of Information Collection: Extension of a currently approved collection.

- (2) Title of the Form/Collection: Identification Markings Placed on Firearms.
- (3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Business or other for-profit. Other: None.

Need for Collection:

Each licensed firearms manufacturer or licensed firearm importer must legibly identify each firearm by engraving, casting, stamping (impressing), or otherwise conspicuously placing on the frame or receiver an individual serial number. Also, ATF requires minimum height and depth requirements for identification markings placed on firearms.

- (5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 2,962 respondents will take 5 seconds to mark the firearm.

(6) An estimate of the total public burden (in hours) associated with the collection:

There are an estimated 2,500 annual total burden hours associated with this collection.
